

KAISER PERMANENTE CHINO GRAND HEALTHCARE

PROJECT NARRATIVE

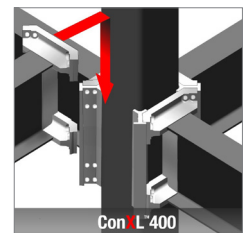

Kaiser Permanente Chino Grand offers 57 patient exam rooms and 42 provider offices. This location will have many new features and technologies including check-in kiosks, wait-time calculators, mobile physician workstations (for tablets and other devices), and an enhanced environment that includes telehealth capabilities and waiting areas that educate, entertain and reinforce Kaiser Permanente’s “Thrive” brand.

CONX SOLUTIONS

The steel for this LEED Gold facility was erected in just 6 days. The ConXL System seamlessly incorporated the architectural features, including the entrance canopy with exposed steel.
