

MOFFETT FIELD ARMED FORCES READINESS CENTER GOVERNMENT

PROJECT NARRATIVE

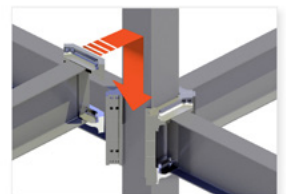

This ConXL facility in Moffett Field, CA supports regional Army Reserve units with the Armed Forces Reserve Center, a Regional Readiness Support Command headquarters and a fitness center. The 186,500 ft² building provides areas for administration, training, physical fitness equipment and associated locker and shower space. The project was LEED® certified by the U.S. Green Building Council.

CONX SOLUTIONS

The ConX System meets Anti-Terrorism Force Protection (ATFP) requirements of the Department of Defense.
